REWired

Main Sponsor:
**SystemC
& Graphnet**
Care Alliance

16-17 March 2021
LONDON OLYMPIA NATIONAL HALL

Digital Health Rewired is the best place to connect with the health IT market. With an additional £30bn of investment in the NHS promised this year, it is a critical time to put your brand in front of thousands of key leaders in digital health.

PROGRAMME OUTLINE

REWired CONFERENCE AND EXHIBITION

Main Conference Tracks:

- Digital Transformation
- Clinical Software
- CCIO and CIO
- Innovation Stage
- Shared Care
- AI and Analytics
- Cloud and Mobile
- Interoperability

Fringe events

- Health Data Lab
- Health Dev Conf
- Rewired Pitchfest

“Rewired provides a great opportunity to hear from peers and make new connections”

Lisa Emery, CIO, The Royal Marsden NHS FT Chair of the London CIO council

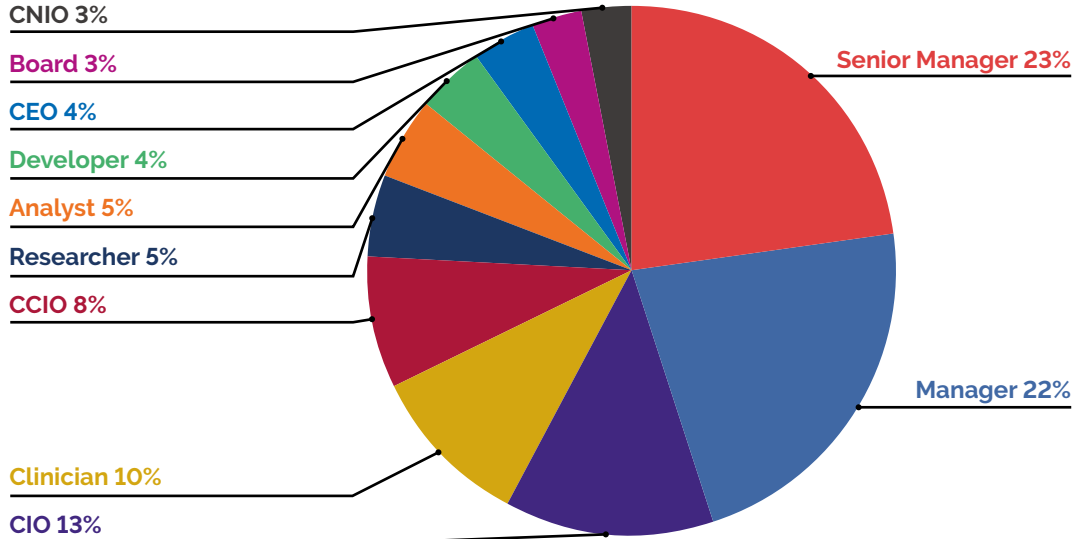

Only Digital Health Rewired offers you opportunities to:

- Network with the most senior health leaders and their teams
- Put your brand in front of thousands of energised NHS IT professionals
- Showcase your solutions to key NHS decision-makers and generate better leads
- Network with digital health startups

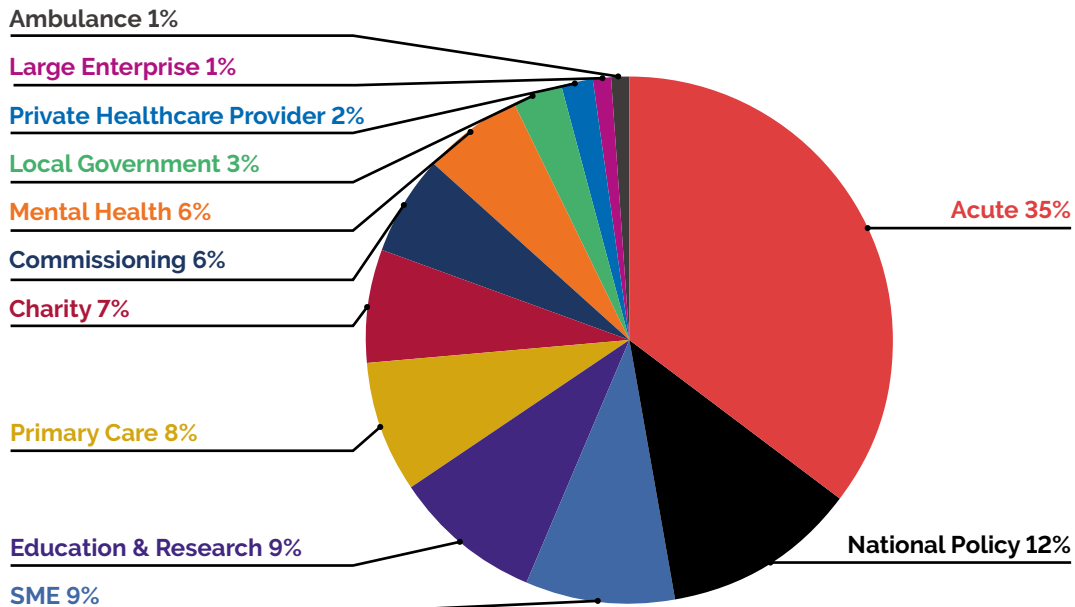

BE AMONGST SENIOR NHS DECISION MAKERS

Generate more conversations and the right kind of leads by getting in front of the most senior audience in digital health.

Rewired 2020 - attendee job roles

Rewired 2020 - attendees by sector
