

Florence Nightingale Foundation Digital Leadership Scholarship and Fellowship

Lisa Ward and Holly Carr

Igniting leaders, fuelling potential.

'Statistics is the most important science in the whole world: for upon it depends the practical application of every other science and of every art: the one science essential to all political and social administration, all education, all organisation based on experience, for it only gives results of our experience.'

“

When I am no longer
even a memory, just a
name, I hope my voice
may perpetuate the
great work of my life.
